What's Happening with Your Knights of Columbus
St. Mother Theodore Guerin Council #541

October - December, 2018

From the Grand Knight....

As we roll into the Advent season it's time for all of us to remember why we became a member of the Knights of Columbus. It is the season of giving, and the Knights are all about giving and being of service to others.

We give our time, talent and treasure year round to those that are less fortunate than us. We offer a myriad of service opportunities and, if you haven't been actively involved in your St. Mother Theodore Guerin Council #541 lately, then I challenge you to resolve to change that in 2019.

I always tell people that, even if you only have a handful of hours available throughout the year for the Knights, that those few hours can mean so much to someone else. You do as little or as much as your time and abilities allow. Take pride in being a Knight and do something.

We continue to look for additional service opportunities for the year ahead. If you have any ideas of how our council can support our local parishes and our community please bring them to the next council business meeting, which is on the 1st Monday of each month.

Thank you for all of you who have helped make 2018 a great year for the Knights. Let's make 2019 even better!

Vivat Jesus!
